

## Sundaya T-Lite180 Product Warrantee

Sundaya provides 3 levels of warrantee to Agents, Distributors and Dealers on T-Lite180 Lamp product parts as follows:

3 Level Warrantee:

- 1) Warrantee against Manufacturing Errors
- 2) Performance Warrantee
- 3) Spare Parts Availability Warrantee

The Warrantee on Ulitium Lamp products is divided in 2 parts as follows:

- 1) T-Lite Battery Pack
- 2) T-Lite LED Module

Note: Details of the warrantee are provided on page 2 and 3 of this document

Warrantee Exemptions:

Warrantee will not be valid in the following cases:

- 1) Product has been damaged due to physical abuse; water penetration, chemical substances.
- 2) Product has been tampered with or repaired by unauthorized personnel.
- 3) Product has been damaged due to transport or during installation of product.
- 4) Warrantee does not include any transport or replacement installation costs.

**1) T-Lite EPack:**

**6 months warrantee against manufacturing errors.** (EPack will be fully replaced in case it is established that the occurred fault is due to a manufacturing error)

**12 months performance warrantee:**

After the period of 6 months has passed; it will be sure that in case of failure it is not anymore due to manufacturing errors but instead due to common degradation of battery capacity due to usage. Under normal usage condition of 4 hours per day the battery capacity loss should not be more than 25% over a 3 year period.

In case the EPack has degraded more than 50% within a 6 to 12 month period Sundaya will replace the battery pack on a prorated basis according to below table.
